

FAMILY NURSE PRACTITIONER (MSN)

The master's graduate of the Cecily and John Leach College of Nursing is an advanced nurse who functions in a nurse practitioner, nurse educator, or nurse administrator role. The advanced nurse assumes a leadership role in the profession and in health care delivery. The graduate incorporates education and research into a practice that is reflective of the dynamic needs of a diverse population. Through the advanced role, the graduate becomes instrumental in ensuring health promotion, health maintenance, and health restoration for society. Through scientific inquiry and collaborative relationships, the advanced practice nurse continually augments and refines the science of nursing.
