

GEOGRAPHY (GEOG)

GEOG 111 World Regional Geography (3)

Is a geographic study of the world's major regions, with an emphasis on multicultural and global issues. The complex interrelationships between human beings and their environment, and the outcomes and effects of the interactions on the landscape will be examined. Students develop an awareness of many diverse cultures of the world and examine the interdependence of diverse national and international economic markets, issues, and political groups.
