

UNDERGRADUATE GRADUATION

Commencement

Commencement ceremonies are held in Joliet, IL in May and December. Consult the USF Academic Calendar for the commencement dates. Specific information on the graduation activities is e-mailed to each graduate prior to the commencement date. Diplomas are mailed approximately 6 weeks following the awarding of the degree. Students who have holds on their account will not be allowed to attend the commencement ceremony and their diploma and transcripts will be held until the holds are released.

Undergraduate Graduation Requirements

Candidates for the bachelor's degree must complete the following:

- complete the *Application for Graduation* available through the MyUSF Portal (consult the Academic Calendar for specific deadlines); declaring a certificate is also due by the graduation application deadline
- earn a minimum of 120 credit hours of college credit
- complete the residency requirement of a minimum of 30 credit hours of approved undergraduate credit at USF. **All students must complete a minimum of fifteen (15) hours of upper division (300-400) course work, in the major, in residence at USF.** In addition, thirty (30) of the last thirty-six (36) hours taken before graduation must be USF courses. (Note: individual colleges may have additional residency requirements)
- complete all requirements with respect to the major program, support courses, general education, and electives
- achieve a cumulative grade point average of 2.0 or higher at USF
- earn grades of "C" or higher in all courses required by the major (including any specific General Education course(s) required by the major) and any minor programs (if applicable)
- satisfy all financial requirements with the Business and Financial Aid Offices

It is the responsibility of the student to see that all graduation requirements are met. If a student withdraws for more than one semester, the catalog and regulations in effect at the time of their return will apply. Students completing a double major must select which degree they wish to receive since the University only awards one degree at graduation (however, the second major will appear on the transcript). If a student returns to complete a second major, they may apply for a second degree only if the new major leads to a different degree and they have met the current general education requirements in place at the time of awarding.

Earning a Certificate

USF offers certificates at the undergraduate levels. A formal application is required for a certificate to be awarded. The *Application for Certificate* is available through the MyUSF Portal (consult the Academic Calendar for specific deadlines). Students earning only a certificate are not eligible to participate in Commencement. Certificates are mailed approximately 6 weeks after the term has ended.

Graduation Honors

Graduation honors are awarded to undergraduate students who have attended the University of St. Francis full time (12 hours or more) for at least two years (four semesters), or have earned at least 60 credit hours at USF. The award is given on the basis of the cumulative grade point average earned at USF.

3.5 - 3.69 receives the baccalaureate degree cum laude

3.7 - 3.89 receives the baccalaureate degree magna cum laude

3.9 - 4.00 receives the baccalaureate degree summa cum laude

Honors designation does not apply for graduate and certificate students. For commencement purposes, graduation honors will be based on qualification at the time of the previous completed semester at USF. Final honors will be indicated on the student's diploma and final transcript.
