

# INTERNATIONAL STUDIES - MINOR PROGRAM

consult the Credit for Prior Learning section of this catalog for more information.

<sup>2</sup> Taken after all other requirements are fulfilled.

This minor history of the world. The program requires significant experience with a foreign language, travel experience and interdisciplinary problem solving is designed to provide students with an international perspective on their major discipline. The goal of this program is to develop an interdisciplinary perspective on global (and local) issues with a better understanding of language, culture, and history of the world.
