SUPPLY CHAIN MANAGEMENT - MINOR PROGRAM

The Supply Chain Management minor is designed for those seeking to expand their knowledge of the supply chain/logistics industry. The program is designed to provide the student with a solid background in multiple areas of supply chain management rather than focusing strictly on one element. Courses are designed to emphasize practice over theoretical equations, thereby enhancing a student's success. The minor prepares the student as they begin a career in supply chain management, one of the fastest growing industries in the nation.

Minor Program (24 credit hours)
